

Arrival of World Cup Trophy

Providing post-mix systems, water filtration equipment, ice-makers and related parts to our customers throughout the Caribbean, Central & South America for over 38 years!

Serving The Americas Since 1976!

Our 38 year history and reputation is all based on service and our goal is to fill our customer's need regardless of their requirements. We appreciate the chance to solve your most difficult, unusual or unique sourcing requirement, even when the requirement is uncertain. When Google falls fails, give us a call.

We Export Parts!

We source from over sixty suppliers, consolidate shipments in our warehouse and work with your freight forwarder to deliver your products as quickly and inexpensively as possible. We look forward to working with you and your team.
