establish the company as the only, or leading, fully integrated beverage production facility in our region. We plan to continue expanding and upgrading beyond what may seem immediately necessary within the market so that our ultimate goal of expanding our global footprint comes to fruition sooner rather than later.

PREFERRED VENDORS

PET Plastics (www.bacplas.com) – Bacplas' strategic geographical location reduces shipment transit times to worldwide destinations. Puerto Rico, USA allows duty-free access of preforms to North America/NAFTA. Destinations/transit time: Houston, TX, 6 days; Philadelphia, 5 days; and Jacksonville, 3 days.

Charles S. Smith and Associates (www.charlessmithassociates.com) – Our 38 year history and reputation is all based on service and our goal is to fill our customer's need regardless of their requirements. We
