

Halcyon Cove by Rex Resorts

Everything an antigua vacation should be

The all-inclusive Halcyon Cove resort, located on the shores of Dickenson Bay, in St. John's Parish, Antigua, has been a choice tourist destination for over 50 years. The concept of developing a hotel along one of the most beautiful beaches in the Caribbean was conceived following the construction of 12 cottages, known as the Trade Wind Cottages, on a hill overlooking the Bay.

In 1960, the Caribbean Beach Club bought the Trade Winds Cottages and expanded the property with 32

Beach Front rooms, which comprise the resort's present-day Beach Front Rooms and Suites. This marked Phase One of the construction of what is now known as Rex Halcyon Cove. In 1972, Courtlines, another hotel operating company, purchased the hotel and added the 74 rooms, which today are known as A, B, C, and D blocks. Additional Phase Two developments included the Clouds Restaurant, the Old Lobby and the house-keeping area.

In 1973, the hotel was bought by the Government of
