

Trinidad, BSI Services scores in the top two out of 476 companies.”

In addition, BSI Services is also well-known for its honesty and integrity. “If it’s not the right way to do it, then we’re not entertaining it,” says Kellum. “We’re only going to do it if it’s the right way. We have a moral obligation to do that, and we’re going to tell you the way it is.”

## PREFERRED VENDORS

**Isotech Ltd.** - Isotech Ltd is registered as a Limited Liability Company in Trinidad and Tobago. Formerly known as Carber Trinidad, Isotech provides specialized services to a wide range of customers in the Trinidad Energy Sector. The company was established in June 2013 to reduce risk to people while improving plant and equipment reliability in a cost-effective manner.

Isotech holds the licensed patent rights from Carber for a number of products which offer a variety of benefits to the end user such as cost savings, efficiency, time savings, improved safety, and reduced environmental impact. Its core services include the provision of an innovative hydrostatic testing process and hydrostatic/hydrodynamic isolation systems.

Some of Isotech’s customers include: Atlantic LNG, British Gas/ Trinidad & Tobago, Petrotrin, Methanex, Phoenix Park Gas Processors Ltd., IPSL, Trinity Exploration and Production Ltd., BP Galeota, BHP Billinton, EOG Resources, Samsung, Engineering Ltd., CB&I Americas, and Pint Lisas Nitrogen Ltd. - [www.iso-techltd.com](http://www.iso-techltd.com)
